Experience

Frontend Developer

June 2023 – July 2023

Altair Real Estate | Dubai, UAE

- Developed and maintained Single Page Applications using **ReactJS** and **JavaScript** for different projects and campaigns, resulting in an increase in user engagement
- Collaborated closely with the product managers and designers translating wireframes to create user-friendly and responsive interfaces
- Worked independently to create and launch new features
- Resolved complex technical challenges efficiently, such as optimizing website performance and ensuring cross-browser compatibility, improving overall user experience.

Notable Technologies: ReactJS, Next.js, JavaScript, TypeScript, HTML5, CSS3, Tailwind, SASS

Frontend Developer Internship

May 2023 - Present

Frontend Simplified

- Transformed a completely static HTML, CSS, JavaScript, and React single-page application into an interactive user interface using animations, transitions, and carousels
- Processed API requests with Axios to dynamically represent data from a cloud server and represented it through skeleton loading states, pagination, and dynamic routing
- Utilized Git version control and the GitHub interface to work and thrive in a virtual and collaborative team environment

Freelance Frontend Developer

Nov 2022 - Present

Self Employed

- Delivered professional websites using **HTML5, CSS3 (BEM), Tailwind, JavaScript, Typescript, Next.js** and **React** best practices
- Included SEO, responsive, multi-platform, and hosting support, enabling their website to be used by any browser or device worldwide.

Customer Service Manager

Mar 2021 – Oct 2022

DeepDark | Dubai, UAE

- Led the team, providing clear direction, guidance, and support to ensure the achievement of company objectives and targets.
- Cultivated a customer-centric culture, emphasizing the importance of delivering exceptional service and exceeding customer expectations.
- Proactively engaged with the customers, in-person interactions, and managed the online platforms, to gather insights to identify areas of improvement.
- Managed customer issues and complaints, consistently handling them in a professional and calm manner to resolve concerns effectively.
- Utilized exceptional interpersonal skills to effectively interact with a diverse clientele, including individuals from various nationalities and different generations.
- Demonstrated adaptability and cultural sensitivity, providing a welcoming environment for all visitors, irrespective of their background.
- Managed receptionist duties while also taking on additional responsibilities as a video editor
- Utilized Strong interpersonal skills to build rapport with regular customers
